

Trustee election 2023

Call for candidates - Trustees for the Malvern Hills Trust

The Malvern Hills Trust has been caring for the stunning Malvern Hills and surrounding commons since we were established in 1884 by an Act of Parliament.

Every four years, eleven of our trustees are elected by the voters of Malvern, Guarlford Colwall and Mathon and an election is scheduled to be held this autumn.

This is an opportunity for people interested in getting involved in the guardianship of this iconic landscape - by standing for election to become a Trustee.

Trustees are responsible for the strategic oversight of our organisation, ensuring that we're meeting our requirements and duties in caring for the landscape and delivering the charity's objects.

We'd like all those interested in playing a key part in the future of the Malvern Hills and Commons to get in touch info@malvernhills.org.uk

Candidates for election must fulfil certain criteria, which include living in, working in or being registered to vote in one of the wards or parishes that pay the Trust's levy <https://www.malvernhills.org.uk/get-involved/trustee-elections-2023/>

**The election will be held on Wednesday 1st November 2023.
Nominations open on Wednesday 27th September.**

Those interested are invited to contact the Trust for an informal chat.
A briefing session for those looking to stand will be held on Monday 25th September.
